

## NH90 Electro mechanic

Join Fokker Techniek as a NH90 Electro mechanic in Woensdrecht! Be a key player in maintaining helicopter systems, ensuring compliance with aviation standards. Benefit from a dynamic, innovative environment, working alongside skilled colleagues. If you're passionate about aerospace, seek growth opportunities, and thrive in a global setting, apply now. Explore a career where your craftsmanship keeps aircraft in the sky!

### The Role

As a NH90 Electro mechanic, you play an important role in the execution of work on electrical helicopter systems and avionics in accordance with the Part 145 procedures. Upon arrival of the NH90 helicopter, you perform entry tests. Furthermore, you are engaged in repairing, revising, modifying, testing, preparing and adjusting part and composite helicopter systems. Together with your colleagues, you ensure that work is done in accordance with the rules and standards in aviation. You will be working for Fokker Techniek in Woensdrecht. It is possible that you have to temporarily carry out work within your area of expertise, outside of the Netherlands or at our civil AMRO facility at Fokker Techniek.

### Experience & Qualifications

- MBO level (VMBO niv 3/4 + job-oriented programs, ie VOM / VOT / EASA Part modules);
- Knowledge of procedures, regulations, manuals, technical manuals and regulations, as well as the
- applicable information systems within Aerospace;
- Experience with helicopter/ rotary wing and/or military aircraft are a plus;
- Adequate level of reading and understanding technical English for reading manuals, drawings and instructions;
- Craftsmanship is required for disassembly and assembly work with hand tools and the adjustment of aircraft systems, as well as for operating measuring tools and special test equipment.

### What we offer:

Working at Fokker Services Group gives you the opportunity to work in a dynamic and entrepreneurial environment, with innovative thinking and cooperation with a no-nonsense culture as the core. You will be guided by professional and resolute colleagues, which will give you the knowledge and experience to further boost your career.

### We also offer you:

- A competitive salary matching your knowledge and experience;
- When working fulltime (40 hours), you have 27 holiday days and 13 ADV leave days per year;
- A challenging international working environment;
- An insider's look into the innovative world of aviation;
- A lot of room for professional and personal growth;

### About Fokker Services Group

At Fokker Services Group, our greatest purpose is to exceed reliability expectations, keeping customer aircraft where they belong - in the sky! An aftermarket integrator with design, production, maintenance, and airworthiness expertise and experience, on which commercial and defense operators around the world rely for the continued competitive operation of their fleet. Unique independent competence for comprehensive single source solutions with a global presence, with facilities in Europe, Asia and the Americas.

### **Our Values**

As a High-Performance Organization, our core values shine through in everything we do:

#### **Customer Focus**

We meet and exceed our customers' expectations by offering unique and personalized solutions. Creating clear expectations and building a sustainable relationship based on quality, safety and trust is what we value most.

#### **Innovative Thinking**

Our success is based upon an innovative mindset. We identify and create new opportunities, products and customer solutions by being brave, daring to lead and making decisions. With our entrepreneurial and growth mindset, we explore and learn ways of doing things differently every single day.

#### **Global Excellence**

We strive for quality, reliability, and excellence. Together we create a high-performance culture in which digital transformation, continuous learning and improvement is key. Sharing knowledge and working cross functionally helps us to inspire and achieve our shared goal; to exceed expectations and keep aircrafts where they belong; in the sky!

#### **We Care**

Our people are at the heart of our organization. Only when we work together can we create an inclusive and respectful work environment in which we motivate, support, and inspire each other. We make a difference by being open, honest, respectful, and empathetic towards each other. Safety, quality, and trust are paramount.
